QUALITY GOES PLATINUM

Quality Inn employees unfurl the banner recognizing their hotel's Platinum Award for 2008-2009 from Choice Hotels International, which has 793 properties worldwide. The 60-room hotel opened at 134 River Road in January 2006 and now has 24 employees.

Only 3 percent of properties within the Quality brand receive a Platinum Award for exceptional guest satisfaction and superior service. Additional award criteria are evaluated by Choice Hotels through an annual ranking report.
